

Please join the fight to help save Skateworld Roller Rink!

Skateworld, San Diego's last remaining roller rink, is in danger of losing its lease. The San Diego Redevelopment Agency has an exclusive negotiation agreement with a private development company (MRW) for the property on which Skateworld is located. This company has indicated that they plan to redevelop the property and the future of Skateworld is uncertain.

Skateworld has been an outstanding member of the Linda Vista community for nearly 35 years. This establishment attracts visitors from all over San Diego County and has made many positive contributions to the public. Skateworld hosts fundraisers for various causes, provides family-friendly activities, and employs many who would not find jobs elsewhere, such as teens with no work history. Businesses adjacent to the rink are supported by Skateworld's patrons. Many San Diegans, who remember skating there as children, now take their own families to Skateworld. Closing Skateworld would be a devastating loss for all of San Diego County.

Please join all of us who love Skateworld in voicing your support of the rink to the San Diego City Council. The community of Linda Vista is represented by 6th District Council Member Donna Frye. Her phone number is - **619-236-6616**; email - **donnafrye@sandiego.gov**. Tell Ms. Frye that you do not want to see Skateworld close! You can also show your support by signing this petition that will be presented to the City Council at a later date. There is no age limit - everyone is eligible to sign.

Thanks for your support!
